

Principal's Report

Kindergarten 2021 Orientation Days

Approximately 90 children joined us over three days for our Kindergarten Orientation program this week. The vast majority confidently left their parents to stay with us for one hour on Monday, Tuesday or Wednesday morning.

Year 4 students eagerly volunteered to be buddies for the new Kindy enrolments and fulfilled the role extremely well. The Kindy students and their buddies participated in three activities during the short time they were here: playtime in the Kindy classroom, a story in the library and a play on the playground equipment at the back of the school.

A happy group of children returned to their parents each day after completing the limited tour of our school. We are looking forward to welcoming them again next year.

OC Test

Twenty-three Year 4 students sat the Opportunity Class (OC) Test on Wednesday morning at Bellevue Hill PS. The test was supervised by an external person and delivered under strict exam guidelines to ensure security and equity. We wish those students every success in the very competitive market.

Leadership Team Voting

Next week, Year 5 students will nominate to be part of the leadership team for 2021. The leadership team consists of Captains, Vice Captains, SRC Presidents and Prefects overseeing a wide range of other leadership teams including House Captains, Peer Mediators, SRC reps, the Green Team and more.

This part of the process is a culmination of a study of leaders from around the world.

Virtual Art Show

Bellevue Hill Public School is proud to present our very first virtual Art Show via a website where students from Kindergarten to Year 6 will showcase their creativity and individual expression through art.

Using inspiration from a broad theme around *Nature*, students have produced a variety of individual works which are being beautifully framed to enhance their uniqueness. These framed art works will be available for sale to provide you with a wonderful memento or gift for someone in your family.

All students K-6 have contributed to a whole school art work depicting a tree, inspired by the beautiful fig trees surrounding our school. Each student K-6 designed a leaf and Year 6 students drew and painted the trunk as well as creating the name *Heart of the Park* for the artwork. This beautiful creation will be displayed in our office foyer for all visitors to see.

The launch of the website will be on 23 November 2020 where you will be able to view the individual artworks of all students K-6.

Year 6 v Teachers Netball Championship #1

On Monday our finest teacher-athletes donned the netball pinnies and played a tough game of super netball against the Year 6 rising netball stars.

The game was tough and there was plenty of action, however, in the 2nd half the Year 6 GK was sent from the court for repeated penalties, leaving Year 6 with only 6 players against the teachers' 7 players.

The teachers won 9-0.

Stay tuned for Championship game

Leadership in 2021 - Year 5

This week year 5 have been preparing for leadership in 2021. The students have been working on their Student Leadership in Primary School booklets, where they have been discussing what makes a good leader. All students agreed that a leader that stands out from the rest is someone that is able to lead not only through their words, but actions as well and that sometimes they need to put themselves second.

"A good leader is someone who is an upstander and is able to stand up for what is right"

"A good leader is someone that is able to make everyone feel included, not just their friends"

The best of luck to Year 5 who are preparing their leadership speeches in Week 7.

"Leadership and learning are indispensable to each other". – John Kennedy, former President, USA

Safe Grounds Policy 2020

The school gates are locked for security between the hours of 9.15am and 3pm. If your child arrives after 9.15am they can request entry using the intercom at the main gate.

Before School

The Bellevue Hill Public School day starts at 9.15am. At 8.45am the playground teachers come on duty. At 9am a bell sounds for students to move inside for 15min of independent reading. The back playground of the school is hired by the before and after school '**Kids Club**', which is a private company. **Any student who arrives before 8.45am should be booked into the Kids Club.** If a student arrives who is not booked in, they must remain seated under the Covered Outdoor Learning Area (COLA) near the school hall until the Bellevue Hill PS staff (wearing high visibility orange vests) come on duty.

After School

Our school finishes at 3.15pm. All students must move to and sit down at either the COLA or Go With The Flow (GWTF) areas for pick up. Supervision of these areas finishes at 3.30pm, as teachers must report to afternoon meetings. The school gates are closed at 3.30pm and we ask that all students and parents exit before this time to allow the after school companies using our facilities to start their activities.

The back playground is not an area where parents or students may wait or play after the 3.15pm bell- as from 3.15pm this becomes the hired property of the '**Kids Club**'. Parents can enrol their students in this club if they wish to participate in the activities there or furthermore we encourage parents to use the Bellevue Hill Park area to socialise after school hours.

GWTF is situated on the left-hand side of the main entrance ramp. Students sit on the ledge as they arrive with their bags. The teacher on duty and any parent volunteers check cars and escort students to the cars on pick up. Please keep this area clear for ease of flow. All other parents and students should use the front and side pedestrian gates to exit.

Wet Weather

Before School: All students arrive from 8.45am and wait under the COLA until the 9am bell. Students may then forward up to classrooms.

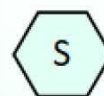

After School: 'Go With The Flow- Wet Weather' is held inside the foyer of the **Kids Club** area. Students are to sit or stand quietly and listen for the GWTF numbers being called.

BREAD TAGS FOR WHEELCHAIRS

Please save your bread tags - they are recycled to fund wheelchairs in South Africa.

Mary Honeybun founded the organisation in 2006 in Cape Town and they provide 2 - 3 wheelchairs to adults and children every month!

Collecting bread tags, even broken ones, makes a difference to our environment too, as they are recycled into seedling trays, frames and other items.

WHAT CAN I DO?

You can make a difference to the lives of people who need a wheelchair. Simply drop your bread tags off at the designated box at reception at school.

Ask your friends and family to help us collect bread tags too!
